

# Coalition for Physician Enhancement (CPE)

## Fall 2022 Program

September 15-16, 2022 | Omni Louisville | Commonwealth 6

### Agenda

#### **BACK TO THE 'NUTS AND BOLTS' AND BEYOND**

Examining how assessments and remediation have evolved during the pandemic and what the future may hold.

At the close of the meeting, participants will be able to:

- Describe the psychology of learning for physicians, various difficulties to physician assessment & remediation and novel assessment & remediation methods;
- Identify obstacles, challenges, opportunities and the various pros and cons of physician assessment, remediation & performance enhancement tools and activities;
- Delineate various risk and protective factors that may influence physician performance in practice; and
- Understand the potential for use and application of big data in medical education, physician assessment & remediation programs.

# Coalition for Physician Enhancement (CPE)

## Fall 2022 Program

September 15-16, 2022 | Omni Louisville | Commonwealth 6

## Agenda

### September 15, 2022

- 7:30 – 8:30 AM** Breakfast and networking
- 8:30 – 8:45 AM** Welcome remarks - **Marcia Lammando, RN, BSN, MHSA**  
**Board President, CPE**
- 8:45 – 10:00 AM** Keynote – *Trends in Continuing Medical Education: What Regulators Need to Know* - **Dr. Graham McMahon, MD MMSc**  
**President & CEO, ACCME**
- Learning Objectives:**
- Describe the psychology of learning for physicians
  - Explore and experience reflective practice based on feedback using Legos
  - Identify obstacles, challenges, and opportunities to make a better system of remediation and performance enhancement.
- 10:00 – 10:15 AM** Meeting CPE Member Educational Needs: Applying CME Trends to Assessment and Remediation - **Moderated discussion**
- 10:15 – 10:30 AM** Research and Information Forum Presentation  
**Presentation One:** Evaluation of a High Stakes Physician Competency Assessment: Lessons for Assessor Training, Program Accountability, and Continuous Improvement - **Dr. Liz Wenghofer, PhD**
- 10:30 – 10:45 AM** **Coffee and Networking Break**

# Coalition for Physician Enhancement (CPE)

## Fall 2022 Program

September 15-16, 2022 | Omni Louisville | Commonwealth 6

### Agenda

**10:45 – 11:00 AM**

Research and Information Forum Presentation

**Presentation Two** - Individual Practice Review: an improved selection criteria – **Dr. Nancy Hernandez**

**11:00 – 12:15 PM**

*Structured Oral Interviews vs. Traditional Chart Review and the Importance of Capturing Data Related to Evaluations*

- **Dr. Marie-France Pelland**
- **Dr. Leyla Korany**
- **Johanne Thiffault, MSc**

Learning Objectives:

- Describe the difficulties in assessment which led to the creation of SOIs
- Compare the results of assessments obtained by traditional inspection visit versus SOI
- Describe a new method of assessment: the hybrid SOI
- Identify the pros and cons of all three assessment methods (traditional inspection visit, SOI and hybrid SOI)
- List the criteria that determine the best method of assessment for a physician in practice

**12:15 – 1:15 PM**

**Lunch (Commonwealth 7)**

**1:15– 1:30 PM**

Lifetime Achievement Award Presentation

**1:30 – 2:30 PM**

*Applying Risk and Supportive Factors to Medical Regulatory Authority*  
*General Speaker* – **Dr. Nigel Ashworth, MB.ChB., MSc(EPI), FRCPC**  
**College of Physicians and Surgeons of Alberta**

# Coalition for Physician Enhancement (CPE)

## Fall 2022 Program

September 15-16, 2022 | Omni Louisville | Commonwealth 6

### Agenda

#### Learning Objectives:

- Can we identify good and bad performing physicians (or clinics)?
- What factors influence physician performance?
- How have we used these factors in our regulatory programs in Alberta, Canada?

**2:30 – 3:00 PM**

**Coffee and Networking break**

**3:00 – 4:30 PM**

***Assessment and Remediation Case-Based Workshop*** – Attendees to form breakout groups and will be provided with two vignettes, one focused on assessment, one on remediation, and tasked with creating a plan for each.

**4:30 – 4:45 PM**

Closing remarks – CPE Board Member

**6:00 – 8:00 PM**

**CPE group dinner at Brazeiros (optional registration for this dinner)**

# Coalition for Physician Enhancement (CPE)

## Fall 2022 Program

September 15-16, 2022 | Omni Louisville | Commonwealth 6

## Agenda

### September 16, 2022

**8:00 – 9:00 AM**

Breakfast and networking

**9:00 – 9:05 AM**

Welcome remarks – CPE Board Member

**9:05 – 9:50 AM**

***Panel Reactions to and Debriefing from Day One Workshop: building consensus around best practices and identifying assessment tools and methodologies to be further investigated.***

- PACE- **Dr. David Bazzo**
- CPSO - **Andrea Boddy**
- CPEP- **Dr. Elizabeth Grace**
- KSTAR- **Dr. Robert Steele**

Learning Objectives:

- Compare different methods and tools used for assessment and remediation
- Identify which tools and methods have consensus and which do not

**9:50 – 10:05 AM**

Research and Information Forum presentation

**Presentation Three** - The COVID19 Pandemic: A Mother of Invention for Physician Assessment and Education?

**Dr. Robert Steele, MD**

**10:05 – 10:20 AM**

**Coffee and Networking Break**

# Coalition for Physician Enhancement (CPE)

## Fall 2022 Program

September 15-16, 2022 | Omni Louisville | Commonwealth 6

## Agenda

**10:20 – 11:20 AM** Capstone – *Big Data in Assessment and Remediation: Program Challenges for the Future* - **Dr. Elizabeth Wenghofer, PhD**  
Laurentian University

### Learning Objectives:

- Understand the potential of using big data for medical education, assessment and remediation programs
- Understand the challenges and sensitivities associated with big data use
- Discuss some examples of big data projects for assessment and remediation

**11:20 – 11:30 PM** **Closing remarks** – Marcia Lammando, RN, BSN, MHSA  
**Board President, CPE**

**11:30 – 12:00 PM** CPE annual business meeting (optional)

**12:00 PM** Conference Adjourns
