

COALITION FOR PHYSICIAN ENHANCEMENT SPRING 2018 MEETING
OCT 29-30, 2018
MASON AND ROOK HOTEL WASHINGTON DC
“BEYOND MEDICAL KNOWLEDGE AND EXPERTISE:
THE CHALLENGES OF ASSESSING PHYSICIANS ACROSS
COMPETENCIES”

NOTE: CONFERENCE REGISTRATION CAP = 45 PARTICIPANTS

CALL FOR ABSTRACTS: IDEAS & RESEARCH FORUM

The Program Committee for the upcoming Coalition for Physician Enhancement meeting in Washington DC is issuing a call for abstracts or proposals for the **Ideas & Research Forum**.

The purpose of the forum is to discuss ideas and research which seek to inform physician assessment and individualized education. **Works in progress, developing activities and emerging ideas are encouraged and welcomed.** This is an excellent opportunity to obtain constructive feedback and formative guidance on your new projects and program activities.

All submissions will be reviewed for their content and ability to inform CPE initiatives and activities. Participants are invited to submit abstracts for presentation in one of several areas:

1. The overall meeting theme - BEYOND MEDICAL KNOWLEDGE AND EXPERTISE: THE CHALLENGES OF ASSESSING PHYSICIANS ACROSS COMPETENCIES – with a particular focus on challenges associated with the assessment of professionalism and communication.
2. Other topics regarding physician assessment, enhancement or remediation (e.g., assessment of clinical reasoning skills in medical decision-making, assessment involving review of medical records / chart audits, or the impact of remedial education on return to practice).

Please complete the information requested in the boxes provided below and submit electronically to:
Dr. Liz Wenghofer (ewenghofer@laurentian.ca) by **Friday, September 2nd, 2018.**

CPE IDEAS & RESEARCH FORUM ABSTRACT SUBMISSION FORM – WASHINGTON DC OCT 2018

ABSTRACT FORMAT GUIDELINE

Introduction should identify an idea, work in progress or problem statement/research question which will be presented.

Approach/Methods will outline the methodology used in research projects or the approach to a work in progress or idea to be discussed.

Challenges/Results will be focused on challenges/data relating to physician assessment, educational enhancement, or continuing professional development. Ideas and research works in progress should solicit guidance, suggestions for improvement and general feedback from the audience.

Discussion / Implications will include comments, conclusions, and plans for future work.
