

Spring 2019 Coalition for Physician Enhancement (CPE) Meeting

April 23-24, 2019
Embassy Suites Hotel
Fort Worth, TX

Physician Remediation Across the Core Competencies

Learning Objectives

At the end of this program, participants will be able to:

- Discuss and debate the importance of the competencies other than medical expert/knowledge to overall physician performance (i.e., how much do they matter to determining safety to practice?)
- Examine and discuss the methods and tools that are available for remediating specific competencies
- Learn and demonstrate skills used to tailor remediation of communication and professionalism
- Examine the challenges and opportunities associated with remediation in “difficult to assess” cases.

IMPORTANT: Due to space limitations, registration for this meeting is been capped at 60
